2. CORE VALUES

A. Heritage International School Mission and Vision

Our Belief:

Heritage International School is founded on the belief that all children have the right to a relevant, inclusive and holistic education, which will help to awaken each child's critical thinking, emotional intelligence and self-expression, preparing such a child to make meaningful contributions to the world.

Our Approach:

At Heritage we create a safe, supportive and stimulating learning environment, where all learners are treated with care and respect. Our leadership recognizes the importance of understanding, upholding and respect for each family's cultural heritage, and encourages parent involvement in the educational process of their children. Heritage tailors learning to the needs of each child with the help of highly-qualified and professional staff, prioritizing intellectual, emotional, social, physical, and moral development. We equip our learners with skills to set realistic goals, meet challenges ahead of them and aspire to high standards of performance and behaviour. Heritage aligns Moldovan educational standards with an internationally accredited curriculum promoting the pursuit of educational qualifications through learning English in combination with Romanian and Russian which results in the upbringing of individuals who are culturally aware and internationally minded.

Our Vision:

The vision of Heritage International School is the development of the whole child and the creation of individuals who are life-long learners, socially and emotionally balanced, and who have the intellectual, physical and moral ability to be independent, responsible and actively contributing members of society. Such individuals will embrace the principles of high self-

esteem and integrity, working together and supporting one another so that to become visionaries and leaders in order to make lasting and positive contributions to the world.

B. Principles guiding the operation of Heritage International School:

- i. Respect
- ii. Fairness
- iii. Equity
- iv. Transparency
- v. Accountability
- vi. Sustainability
- vii. Social Responsibility

C. The dispositions of Heritage learners

Heritage makes deliberate efforts by supporting a learning environment where the development of the following dispositions in line with the International Primary Curriculum (IPC) will be promoted with the help of the whole staff, the parents and the active involvement by the learners:

- i. Adaptability
- ii. Communication
- iii. Co-operation
- iv. Enquiry
- v. Morality
- vi. Resilience
- vii. Respect
- viii. Thoughtfulness

D. In addition, we strive to develop some specific attributes in our learners which are necessary for success in graduating through Cambridge International and further in life. Heritage learners strive to be:

- i. Confident
- ii. Responsible
- iii. Reflective
- iv. Innovative
- v. Engaged

3. OUR FACILITIES

2. ADMISSION AND FEES

a. Timing

- The admission calendar for 2018/2019 academic session starts on 1st April, 2018 at the Admission Office.
- Pupils could be admitted all through the school year.

b. Admission

A starter pack folder is provided to all parents intending to pursue admission into Heritage International School. This pack includes all sets of documents and information as regards the school policies and practices.

Placement Test

Academic Placement Test, set by the school, is required for learners entering classes 2 to 8. The latter comprises two tests in language (Russian or Romanian) and Mathematics for the previous completed class of studies. The minimum pass mark for admission is 7, 00 in each test – the language and in Mathematics. If an applicant does not meet the minimum requirement in academics, admission may be declined. The Placement Test is taken before Provisional Admission is offered.

English Language Assessment

A reasonable proficiency in English is required. Heritage has adopted the widely acceptable and detailed World-class Instructional Design and Assessment Model (WIDA) <https://www.wida.us/assessment/MODEL/> which assesses the learner's specific skills in listening, reading, writing and speaking.

Students will be assessed to determine their language comprehension and proficiency level if English is not their first language. The minimum entry score at WIDA entry test is not less than 3 in Speaking & Listening and in Reading, and not less than 2.5 in Writing for learners who have learnt English previously.

Students who come from a different language background with no English will not be denied admission and will receive language development support through the Intensive English Unit until their proficiency level will meet the expectations of the programme. Such learners will take a placement test in Mathematics only.

Entry to Class 1

Applicants should provide Report on physical, socio-emotional, cognitive, language and communication development as well as development of learning capacities and attitudes at the end of the kindergarten prep course (for children attending the preparatory pre-school education institutions). There is an entrance test. After the WIDA test the learner can be offered admission. The Administration of Heritage will take into consideration the results of testing when deciding on enrolment. An interview with the Vice-Director or Director of the School is scheduled.

English-Only Pathway

Admission is offered to the English-only pathway to some learners in Heritage. Such learners follow the Cambridge Primary and Cambridge Lower Secondary pathways. These learners will

take the Cambridge Primary Checkpoint and Secondary School 1 Checkpoint exams, which are mandatory. The requirements for the English-only pathway are as follows:

- Learner is a citizen of another country (dual or foreign citizenship)
- Learner does not communicate in Romanian or Russian at home
- Parents waive their child's participation in the national exams in Class 4, Class 9 and BAC in Class 12 (NOTE: this waiver is irreversible)
- Average of WIDA test is required of not less than 4,00 (when learner comes without English background, the exam is excluded)
- The average score of the academic test (Mathematics) is not less than 6,5

Provisional Admission

Once the Registration Fee (non-refundable, one-time payment for a single admission) payment confirmation and the completed and signed Application Form A (B) have been received, Heritage International School will confirm the pupil's provisional admission in writing via e-mail or a call.

c. List of Required documents for Admission:

- Application
- A report on the physical, emotional and cognitive development, the manner of communication, the development of learning abilities, compiled at the time of the completion of the preparatory group (for children who attended kindergarten) or the positive reference of the municipal or district commission (for children applying to class 1)

3. THE CURRICULUM

The Curriculum of Heritage International School represents our visionary approach to learning for enduring understanding and character building based on scientifically-proven brain research developed by Fieldwork Education, a leading educational group, based in the United Kingdom <https://www.greatlearning.com/ipc/>.

Presently over 730 schools in 93 countries around the world use the International Primary Curriculum (IPC) produced by Fieldwork Education.

Heritage International School adopted the International Primary Curriculum (IPC) for Primary and part of Gymnasium (Class 1 to Class 5) in a novelty way by blending this curriculum with the Moldovan curriculum.

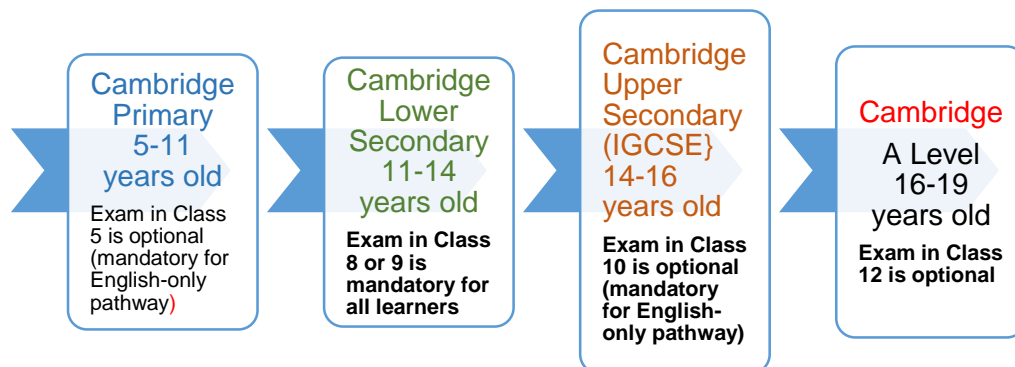

We aim at achieving an entirely new model which incorporates setting clear and level-appropriate learning outcomes in a child-centred environment promoting trans-disciplinary connections and global perspective while being able to meet the statutory requirements set by the Ministry of Education of the Republic of Moldova.

Learning is carried out in English, in a two-way pathway for children of Moldovan origin and foreign learners. The learners in Romanian and Russian respectively, will be prepared for the state exams in classes 4, 9 and 12 while they will be continuously supported in the development of skills in English language. Learners of foreign origin will be encouraged to learn Romanian.

The division of classes: Primary - Class 1 to Class 4; Middle School (Gymnasium) - Class 5 to Class 9; High School (Lyceum) - Class 10 to Class 12. The class size is twenty-two learners (22) with a provision of two more seats for sponsored learners, thus totaling twenty-four (24).

Additionally, learners will be completing their BAC exams in Class 12.

Cambridge Assessment International Education Pathway

Heritage International School has been approved as a Cambridge School by Cambridge Assessment International Education (Cambridge International) and is currently offering Cambridge Primary and Cambridge Lower Secondary School.

Learners in the Primary School are introduced to Cambridge Primary English (English as a First Language) or Global English (English as a Second Language), Mathematics and Science.

In the Gymnasium (Class 5 to Class 9) and Lyceum (Class 10 to Class 12) learners are introduced to Cambridge International in two steps – Secondary School 1 (Lower Secondary) and Secondary School 2 (Upper Secondary).

Cambridge International Programme culminates in taking the Primary Checkpoint Exam by the age of 11 (Class 5) which is optional, the Checkpoint Exam by the age of 14 which is mandatory, and the exams in various subjects (courses) valid for Cambridge Upper Secondary which will offer the International General Certificate of Secondary Education (IGCSE) in Class 10 and Cambridge International A Level (Cambridge Advanced) in class 12, required by leading universities and other tertiary institutions in the world.

Both IGCSE and A Level examinations are optional. All Cambridge International examinations are set and marked by Cambridge International. Retrieved from <http://www.cambridgeinternational.org/programmes-and-qualifications/cambridge-secondary-2/cambridge-igcse/>

4. THE CALENDAR

Heritage follows a two-semester academic calendar (including the approved public holidays and vacations) as announced by the Ministry of Education of the Republic of Moldova. However, the school enjoys a variety of educational activities such as academic gatherings (Prize-giving Day) and sport (Sport Day) or artistic celebrations (Christmas Show), in an effort to mark notable events which impact the minds and hearts of the learners. Similarly, Heritage subscribes to global days as observed by the United Nations, such as International Literacy Day, International Teachers' Day, International Women's day and others. All families and their friends are encouraged to be part of such memorable celebrations.

The First Semester is from 03.09.2018 to 21.12.2018 (tentatively, pending announcement by the Ministry of Education of the Republic of Moldova).

Breaks within the First Semester include: Autumn Break and Christmas Break (yet to be published).

The Second Semester is from 09.01.2019 to 31.05.2019 (tentatively, pending announcement by the Ministry of Education of the Republic of Moldova).

Breaks within the Second Semester include: Spring Break and Easter Break (yet to be published).

5. THE SCHOOL DAY

I. Transportation

a. drop-off

Heritage opens at 8:00 daily. Between 8:00 and 8:25 parents will be expected to bring their child/children to the school. Cars can be parked in both car parks designated for that purpose. Both parents and children can come into the building through the respective gates. Each learner will be allocated a locker where he or she can store his or her upper clothes and outside foot ware. Children are expected to change into their inside foot ware before going into class.

b. pick-up

Pick-up by only parents or authorized individuals is permitted. Parents are to submit their photographs and the photograph of the person(s) authorized to pick their child (children). Security Clearance Cards are to be issued to each member of the family who will be taking home a child or children. Children from the gymnasium who have special permission will be allowed to leave the premises unaccompanied.

We appeal to parents NOT to pick their children late as that leads to additional level of tiredness and distress by the child. Consistent late pick-ups by parents will attract consequences such as fines.

c. bus service

Heritage provides a bus service for extra charge for both drop-off and pick-up times. The bus operator is a contracted company which has been proved to meet the ethics and safety requirements needed for this type of service. A minimum of three children are required to open a new bus route to the school. Children in each vehicle are accompanied by an adult child-minder, apart from the driver.

II. While at school

A. Upholding Heritage values

a. behaviour and attitudes

Heritage International School has set behaviour expectations which have been defined in the Code of Ethics. The school Code of Ethics includes the institution understanding and practice in terms of behaviour and attitudes and specifies the sanctions when the expected norms of behaviour are not complied with.

b. uniform

School uniform is to be worn at all times. Learners can change into their sport wear whenever they engage in lessons in Physical Education or sport activities.

c. phones

Heritage International School does not prohibit the use of phones by learners. However, no phones can be used during the school day (between 08:30 and 16:30) except with the permission of the teacher. Whenever a learner is found to be using his or her phone without permission, that phone will be seized and submitted to the Office. Repeated offence will be sanctioned. (cf. **Code of Ethics**). Emergency calls to parents can be made directly from the Front Desk.

B. The learning process

a. the daily schedule

During the school day all children will follow their daily schedule of learning activities as approved by Heritage. Learning, meals and play time, homework and clubs including sport, art-related activities and Lego education are part of the academic and enrichment programme. Learners in Class 1 will be having a modified lesson schedule for the first several weeks of school in order to enable them get accustomed to the routines of a school day.

b. language acquisition

All learners will be encouraged and supported in their acquisition of English language and other languages such as Romanian, Russian, French, German or any other language Heritage finds necessary to introduce.

c. special educational needs and individualized learning

Heritage believes in inclusion. Therefore, learners with special educational needs will be provided with relevant assessment and recommendations for accommodations whenever necessary and possible. In instances when a shadow during the school day or intervention is required, the cost of the additional service will be borne by the parents. Individualized learning is accessible to all children at all times, whenever the need arises.

d. assessment of learning

Learners receive at the end of each semester evaluation reports which provide the family with evidence of academic progress and social development in both descriptive and numeric form.

e. examinations

Heritage International School falls in line with the examinations adopted by the Ministry of Education of the Republic of Moldova and the Cambridge International. Therefore, all learners who are nationals will be expected to take the mandatory exams in Class 4, Class 9 and Class 12 (BAC) respectively.

In addition, Cambridge Primary Checkpoint, Cambridge Lower Secondary Checkpoint and the Cambridge Upper Secondary School (International General Certificate of Secondary Education or IGCSE) will be introduced and taken only when the learners have been found to be ready for them in terms of language and academic preparedness and when meeting the age requirements set by Cambridge International.

Primary Checkpoint, Cambridge Lower Secondary Checkpoint and IGCSE are mandatory exams for foreign students. The cost of external exams is set by Cambridge International and will be funded by parents. All Cambridge International exams are taken in Heritage as the school is an approved examination centre.

f. enrichment

Homework

Enrichment (extra-curricular) activities take every day after the academic programme for the learners has been completed. It is offered free of charge and includes the optional home-work period during which all learners will be supervised and supported in their completing of home work (assignment). Once a learner has gone through the homework slot, he or she is not expected to bring home any home work. However, as the home work period is optional, in cases when parents would prefer to take home their child/children immediately after the end of the academic day, such a learner will need to complete the assignment at home.

Sport and Clubs

Clubs for all levels hold at the later part of the day. Some clubs from the areas of education, sport and the arts are free. Those include: languages and club for volunteers (such as environmental protection and social care); volleyball, basketball and football or sport games, while under the category of art we offer drama, music or school band, dance, singing and choir.

In addition, we provide paid-up clubs such as LEGO and STEM education. A minimum of five candidates are required to open a paid-up club. Similarly, the external facilitators for such clubs have a limited number of members which cannot be exceeded in order to provide for enough

attention to each child. Therefore, the membership for clubs will be done on first-come-first-take basis and in cases when a learner fails to attend a club activity three times in a row (except due to prolonged absence with excuse), the space of this learner can be taken by the one next on the waiting list after the parents have been notified about the failure to attend.

Subsequently, learners will be introduced to after-school clubs for free in the area of academics (languages), sport (basketball, volleyball, mini-football or other sport games) and the arts (dance, drama, music, singing and choir).

Sport houses in the school are shared in three teams: yellow, blue and orange. Each team will represent a cross-section of learners from all classes. This is done in order for the children to engage in whole-school sport events during the Sport Day and to exhibit their sport and team skills. Therefore, each child will be issued a sport T-shirt based on his or her representing a school team. Heritage sport teams are named Zeus, Hercules and Poseidon.

III. Wellness

a. safety

Safety and security is of great importance to all. The school is equipped with CCTV cameras and a surveillance room as a precaution and control of safety and security. Heritage employs the services of security operatives who are on duty at all times.

c. health

Heritage employs a full time health worker who oversees the hygiene in the whole facility, including the Cafeteria and the health of all learners and staff of the school all through the day.

d. illness

In cases when a learner is ill and cannot come to school it is highly recommended for the parents to inform the class teacher who can organize and provide a timely feedback to the family about the day's learning and lessons.

If a learner has been identified to be unwell or ill, the school Medical Worker is notified who ascertains the condition of the learner and will inform the family about it. He has the right to request for the ill child to be isolated (quarantined) or withdrawn from class in cases when there are concerns about suspected contagious illness which may jeopardize the health of the rest of the learners in the school.

Heritage appeals to all families NOT to send their child or children to school if there are symptoms of illness. Parents should be mindful of the fact that: "It is the responsibility of the parents to inform the School about any conditions and ailments which may be harmful to other learners or the staff of the School." (**Admission Form A**)

e. meals

Eating while at school is done in the Cafeteria which offers a variety of meals for each student. Strict regulations, in line with government-laid practices guard the procurement, storage and preparation of food at the Cafeteria.

Both breakfast and lunch menus are available and can be pre-booked. The cost of the meals with the Menu is communicated in advance to parents, who book the desired choice for their child/children. Children with special dietary conditions including allergies will be accommodated, provided parents have informed the school about such a condition. A pre-paid card is used as a mode of payment.

However, getting food through the Cafeteria is optional and families are free to send in a lunch pack with their child, if they so wish.

f. celebrations

We understand the importance celebrations, and especially birthdays, have in the life of each child. We are happy to share in this happy for each family event. Birthday parties or celebrations in the class are to be carried out only when prior information about such an event has been communicated to the school. It is prohibited to entertain learners with home-made food or pastries. Parents may use the Cafeteria services to pre-order pastries or entertainment for their child's party.

IV. Communication

The school is open for operation Monday to Friday from 08:00 to 17:00. Feel free to call on 062022210, email to info@heritage.md or send a post on our Facebook page: <https://www.facebook.com/heritage.moldova> or Skype: Heritage International School.

All parents have the opportunity to meet with their child's teacher(s) during the Parents' Teachers' Conferences, to sign in an appointment for additional consultations and discussions or to meet with any member of the administration.

In cases of complaints and suggestions kindly fill in the Suggestion Book at the Reception or, if your requests have not been addressed accordingly, request to refer to the school **Grievance Policy**.

SECTION 3 – THE COMMUNITY

1. Parents

We consider our relationship with parents to be of great importance. Parents are encouraged to join us for class and school events. We appreciate parents' daily visits to their child's class. We shall attend to all parents' observations, concerns and challenges. However, it is important that our communication is carried out in a prompt, effective and respectful manner.

Parents are encouraged to join the Parents' Forum or Parent Committee, which supports the educational efforts of the school for the success of the pedagogical programme of Heritage.

2. The outer community

Heritage International School considers the need for additional opportunities for learning which can be offered to the outer community. The school offers evening lessons in language acquisitions and weekend programmes. Additional events such as excursions for families and friends, summer school and various educational forums will be subsequently housed in the school. More information can be obtained at the Front Desk.

In addition, Heritage offers educational sponsorships and scholarships for under-privileged and gifted learners.

SECTION 4 – LEAVING HERITAGE INTERNATIONAL SCHOOL

1. Transfer

Heritage International School will provide all necessary documents on transfer of any learner whose family needs to leave, provided there are no impediments to such transfer (see **Contract on Schooling, Learning Philosophy** and **Code of Ethics**).

2. Academic transcripts

Heritage International School will provide academic transcripts to learning institutions requesting for them. Cambridge International examinations results for individual learners are issued to the school and parents can receive them, once they have been released.

The cost of printing and posting, including translation and legalization, whenever necessary, will be borne by the parents.

3. Archives

All records of a learner who leaves Heritage International School are the property of the school and will be archived.
